

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

Alexander Gomez,
Plaintiff,
vs.

Adelina Ademaj Realty LLC and
Bella Pizza Of Bronx Inc,
Defendants.

COMPLAINT

Plaintiff, ALEXANDER GOMEZ (“Plaintiff”), by his undersigned counsel, hereby files this Complaint and sues Defendants, ADELINA ADEMAJ REALTY LLC and BELLA PIZZA OF BRONX INC (“Defendants”), for injunctive relief pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181, et seq., (hereinafter the “A.D.A”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (hereinafter the “ADAAG”).

JURISDICTION

- 1) This Court has original jurisdiction over the action pursuant to 28 U.S.C., §§1331 and 1343 for Plaintiff’s claims arising under 42 U.S.C. § 12181. et seq., based upon Defendant’s violations of Title III of the ADA (see also, 28 U.S.C. §§ 2201 and 2202).
- 2) Plaintiff currently resides in Bronx, New York, and is *sui juris*. Plaintiff is a qualified individual with disabilities under the ADA law. Plaintiff has a spinal cord T-12 injury and is bound to ambulate in a wheelchair.
- 3) Defendant, ADELINA ADEMAJ REALTY LLC, is a LLC and transacts business in the State of New York and within this judicial district. Defendant, ADELINA ADEMAJ REALTY

LLC, is the owner of the real property which is the subject of this action located on or about at 4555 3rd Ave., Bronx, NY 10458 (hereinafter “Subject Property” or “Facility”).

4) Defendant, BELLA PIZZA OF BRONX INC, is a LLC and transacts business in the State of New York and within this judicial district. Defendant, BELLA PIZZA OF BRONX INC, is the lessee and operator of the business known as Bella Pizza, located at 4555 3rd Ave., Bronx, NY 10458 (hereinafter the “Facility”).

5) Plaintiff has visited the Subject Property which forms the basis of this lawsuit on or about late November 2022, and again on or about February 27, 2023. On both of these occasions, the Plaintiff’s ability to ambulate through the entrance of the Subject Property was constrained, hindered, and thwarted by the structural barriers, that which prevented access to the public accommodation. The Plaintiff plans to return to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property, and thereby determine whether the Subject Property has been made ADA compliant. Plaintiff’s access to the Facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including but not limited, to those set forth in this Complaint.

6) Plaintiff lives only several miles from the Defendants’ Facility, passes by the Defendants’ Facility at least once per week when he is doing errands, visiting family and friends throughout the borough, and looking to eat out. Moreover, the Defendants’ Facility is in a neighborhood that Plaintiff dines out two to three times per month. Foremost, Plaintiff has dined at, and in, nearly all of the neighboring restaurants surrounding the subject facility, that are all

without obstructions. Moreover, Plaintiff dines at restaurants on this street about once or twice per month, including but not limited to New Oriental House, Halal Fried Chicken & Pizza, I&C Deli Market, and Chiky Grocer amongst many others; and thereon affirms that he would dine at the Defendant's restaurant and avail himself of the goods and services offered to the public, were it not for the structural barriers inhibiting his ability to enter the subject facility, in direct contravention of Title III of the ADA and provisions under the ADAAG.

7) The Defendants' Facility is a public accommodation and service establishment, and although required by law to do so, it is not in compliance with the ADA and ADAAG. Plaintiff has visited the Subject Property which forms the basis of this lawsuit and plans to return to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property, and to determine whether the Subject Property has been made ADA compliant. Plaintiff's access to the Facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including but not limited, to those set forth in this Complaint.

8) Plaintiff has suffered and continues to suffer direct and indirect injury as a result of the ADA violations that exist at the Facility. In this instance, Plaintiff visited the Facility and encountered barriers to access at the Facility, engaged barriers, suffered legal harm and injury, and will continue to suffer legal harm and injury as a result of the illegal barriers to access as set forth herein.

9) Plaintiff visited the Facility and encountered barriers to access at the Facility no less than two times, specifically on or about the later part of November 2022, and again on or about February 27, 2023, engaged the barriers, suffered legal harm and injury, and will continue to suffer legal harm and injury as a result of the illegal barriers to access as set forth herein. The Plaintiff will continue to dine out in the neighborhood of the Defendants' subject property; specifically plans to visit this subject property this summer with family and friends for a birthday celebration; and will thereon continue to attempt to access the services and facilities at said premises which have been deprived at all times material.

10) All events giving rise to this lawsuit occurred in the State of New York. Venue is proper in this Court as the premises are located in the Southern District.

12) Plaintiff travels through this neighborhood regularly, has partaken of the services offered in nearly all the surrounding public accommodations, and thereon intends to visit the Facility again in the near future in order to utilize all of the goods and services offered therein but will be unable to do so because of the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility that restrict and/or limit his access to the Facility, including those barriers conditions and ADA violations more specifically set forth in this Complaint.
